Worksheet B: Bias in Your Own Project

Name: _____ Date: _____

Task 3: Reflection: the bias in my own research process

homework

Base this on your design sketch from Unit 7.

Which bias is the greatest threat?	
In which phase?	
How would I notice that it has had an effect?	
With which *procedure* do I limit it?	

Task 4: Diary of wonder

homework

Describe a situation in which you knew something and still perceived or decided differently. What would have helped you follow your knowledge rather than your experience?
